

Hola Dallas LAAIA Members! We have had a busy first quarter of the year! On April 24th, 2025, our member Mayela Munoz with VIP Insurance Services graciously allowed us to use her building space for our monthly Lunch and Learn. This month we were honored to have Ms. Liliana Del Hoyo with Frank Winston Crum and Mr. Tony Mendoza with ISC (Integrated Specialty Coverages, LLC) present a class on the basics of commercial insurance. Our members were introduced to the basics of general liability, business owners', and workers' compensation policies. The session was very important, as we are finding many of our members are transitioning their agencies into more commercial-centric models. Our treasurer, Elizabeth Perez, had one of her clients cater the meal, which was thoroughly enjoyed by all! Our membership is inching up to 100, and we are excited by the influx of new member participation and leadership. We will induct new officers and directors in June, and on May 22nd, 2025, we will host our first-ever member appreciation night, where we will honor those who have made us what we are today- OUR MEMBERS. We have allied with the Independent Insurance Agents of Dallas (IIAD), who have agreed to help us grow membership! The Dallas chapter is excited for what the rest of the year holds! If you would love to join us on our journey to becoming the most significant association to cater to the Hispanic/Latino insurance professional, please visit us at [www.laaiaDallas.com](http://www.laaiaDallas.com) With Gratitude, Gabriel Palerm Dallas President
